# Partner with us to make a difference

## WHO WE ARE

The Hinsdale Junior Woman's Club (HJWC) is a 501(c)(3) charitable foundation composed of over 250 local women members and 50 volunteer leadership roles.

## OUR MISSION

To make a difference in our community through volunteering, selecting, and financially contributing to deserving local charities focused on assisting families, women, and children in the Western Suburbs and Chicagoland area.

## HOW IT WORKS

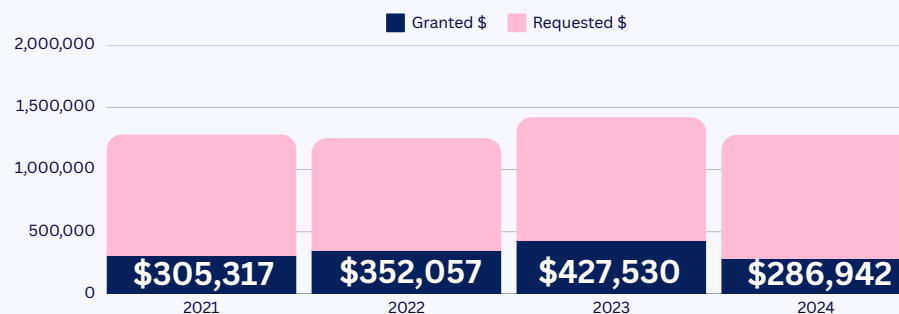

At the start of the year, our philanthropy committee receives grant applications from local charities. We then assess, interview, vote and award grants for specific items to the organizations that are addressing the most immediate needs of our community. This vetting process occurs every year and ensures 100% of funds raised go directly to vetted charities and the grants are used for the intended purpose. Your dollars impact the lives of people in your neighborhood.

In the last 5 years, we have raised over \$1.5 million dollars for non-profit organizations in the Chicagoland area and Western Suburbs. Though this is substantial, we have a significant discrepancy in need from the charities that apply for grants every year.
